**CONTRAIL PREVENTION TRIAL IN MAASTRICHT UAC (EDDY) AIRSPACE****1 INTRODUCTION**

In an effort to minimise the impact of aviation on the environment, Maastricht UAC will be running a contrail prevention trial from 1 August 2024 until 28 February 2025.

Flights may be tactically requested to deviate from the planned/requested flight level by the sector controller using phraseology: *for contrail prevention climb/descend*.

Any flight flying via Maastricht UAC sectors between these times may be chosen. The trial will go ahead dependent on the weather conditions.

For tactical enquiries contact Maastricht UAC.
